

Note: If you re-upload your files to D2L, you must re-upload ALL files as the system keeps the most recent uploaded submission only. No zip files!

GENERAL SUBMISSION REQUIREMENTS

Upload all files individually as specified, not as zip files, to Assignments in D2L. Do not email files. Late penalties of 10% per day are in effect for this Deliverable.

Objective: To establish that your Capstone Team has defined a Project Plan.

Instructions:

This is a Group assignment, and **every student does not submit** a document.

For this assignment, you will work together as a team to define your Project Plan. **Use the attached templates as starting points.** Below, we provide instructions for each section. Complete all sections with details. Use professional formatting and style – utilize spell check, headings, etc..

The Project Plan consists of the following three parts:

Cover Page: This cover page format is required for ALL Deliverables

Project Number (Color if applicable) and Title of your Project at the top of the page

Below the title include

Course Number and Section, Semester, Year

Date

NEXT add a HEAD SHOT of each member with their name below their pic

Team Members:

List all members of the Team in a table format with:

name, role, cell number and non KSU email.

List the project owner at top (pertains primarily to projects developed for other depts)

Next list all other team members.

Then list the Project Advisor (possibly the instructor) as the last team member

>> *End of Cover Page*

Project Plan: see Project Plan Template

Gantt Chart: see Gantt Chart Template
